

AUDIO EDITOR – TV/RADIO COMMERCIALS

Automotive advertising agency with in-house production department is seeking full-time audio editor to join a talented team of video editors, designers, and 3D artists who produce and deliver between 80 and 100 spots every month. This is an extremely fast-paced, deadline-oriented environment.

Candidate must have:

- At least three - five years' experience working with voice talent, editing radio spots and sweetening video with music & sfx
- Ability to excel in an unsupervised environment and meet deadlines
- Strong organizational skills throughout the editorial process
- Understanding of shared area network storage environment (Apple X-SAN)
- Must be willing to relocate to Birmingham, Alabama

VIDEO EXPERIENCE BELOW A "PLUS"

- Knowledge of Final Cut Pro software
- Command of SD and HD video formats and digital spot delivery methods (DG Systems, Fast Channel), encoding, transcoding and ingesting (including XD-Cam and P2).

We provide a fun, creative work environment, excellent benefits, top-of-the-line 16 core G5s with 64GB ram and SSDs, comfortable/ergonomic Herman Miller chairs, and your choice of mouse, trackpad, trackball, or Wacom tablet.

Salary Range: \$30-50K.
